Advertising is fully tax deductible for your business members. Ask your Business Members and Business Associates in your community to support your club or organization and enhance their businesses at the same time.

As little as \$299 for a whole year of Advertising, make money for your organization.

Your organization will raise **\$18,000** on this product alone.

Fotografixusa has sophisticated software in place to produce any street map in the US and Canada. We also produce nautical boating maps. We will take care of all the map building, production, proofs, graphics, artwork, printing, folding and delivery to your door. All you have to do is ask your members to sell the ads and raise a lot of money for your organization. Once produced it will repeat annually. 20,000 maps is one full pallet weighing 2500 pounds, so please make sure you have storage space available.
